

# Planned Giving

*“Your support of Taralye will give you the confidence that future generations of children who are deaf can be supported to listen, learn and speak to their full potential.”*

Therese Kelly, CEO

## Confirming a Bequest to Taralye

A bequest made under your will is a practical way to provide meaningful financial support to help secure Taralye’s work with children who are deaf and their families.

For many people this is the most significant philanthropic contribution they will ever make. It is a wonderful confirmation of your commitment to ensure future generations of children who are deaf can be supported.

Funds received from bequests are secured and invested, creating a perpetual income stream. The impact over the long term is transformational, it has shaped who Taralye is today and will continue to shape the organisation we need to be tomorrow.

While many do not seek recognition we encourage everyone who has included Taralye in their will to notify us. Joining our community in this way ensures you can enjoy regular updates and insights into the organisation including celebratory open days and special donor events.

Taralye respects your right to remain anonymous while still notifying Taralye and maintaining connection with our activities. However, your gift may inspire others to give too!

We invite you to consider nominating Taralye in your estate planning.

Please contact our Director of Fundraising and Community Relations for a confidential discussion about our future.

## Planned Gving

### Information to complete your planned gift

Please seek your own legal advice and consult with your family when considering your gift. Provisions can be made by updating your will or by adding a codicil which is a supplementary document to your existing will.

#### Specific Bequest:

A gift of a particular dollar amount or a specified percentage of your estate.

#### Residuary Bequest:

A gift of all or part of the property remaining in your estate after debts, expenses and specific bequests have been paid.

### Types of gifts

Gifts can be made in the form of funds or property including shares or real estate.

Some donors plan to direct their funds to specifically support particular activities. While every gift is wonderful, please consider speaking to us about how you wish to direct your gift to ensure it can be as effective as possible.

We always strongly suggest ensuring you include a statement enabling the gift to be used as broadly as possible. The future is often unpredictable and this will ensure your gift can support as many children as possible.

Please contact us to discuss how your gift can have the greatest impact.
