Lions boost for Taralye

 TARALYE Oral Language Centre has been given a boost thanks to the Box Hill Lions Club.

The club has raised \$7000 for Taralye, which will be used to buy equipment including learning resources, book boxes with books and toy props for literacy programs, and furniture for the early learning room.

Taralye chief executive Therese Kelly said the money

would make a big difference.

"The furniture in our early learning room was decades old, the new chairs and tables create a safe and functional environment for the children in the program," she said.

Box Hill Lions Club president Roger Dunkley said the club was a social group that made a difference in the community. Box Hill Lions has been assisting the community since 1960.
